Dear Parent/Guardian,

This letter is to let you know of a Dental Savings and Vision Plan that is now available for you to purchase for your child. Over the years, we have received numerous requests to offer a dental and/or vision plan. This is the first plan we have found that looks like it would be a good fit for our community. It is not an insurance plan, but instead a savings plan. There are no claim forms required, no annual caps, waiting periods or health restrictions. Members can use the plan within 3 days of enrolling. After purchasing the plan, by calling or enrolling on line, you will print off an ID card which you simply present at the Participating Providers office, at the time of service, and pay the discounted amount. Your savings will range from 10 to 60% depending on the type of service.

:DentalPlans offers over 30 different plans, but we have done the research for you and narrowed it down to the top two plans that we feel work best in our area. They are the Aetna Vital Savings Plan or CIGNA Plus. Please chose the option that works best for you.

To enroll, please sign up on line at <http://www.dpbrokers.com/119296.dp>.

If you have additional questions, please contact 1-844-779-1022. Please be sure to mention ID# 119296.

Sincerely,

Kayla Pollard

International Student Director
