

# THE ROCK SCHOOL

## A Foundation *for* Flourishing

### Preschool Fact Sheet 2023-2024 | **AGES 0-4**

#### **Our Preschool**

We are licensed and accredited by the Florida League of Christian Schools (FLOCS certificate #4985). We are committed to partnering with parents in training and educating children in a Christian environment.

#### **Our Facilities**

We have a beautiful preschool building with the highest-quality furnishing and educational materials. We have two large playgrounds with an abundance of toys and equipment for student use.

#### **Our Classes**

We offer classes for infants, toddlers, two-, three-, and four-year olds. Class assignments are based on the child's age on September 1. Children must be potty-trained to enroll in the three-year-old class. Each class has a teacher and an aide assigned.

#### **Our Teachers**

Our teachers are committed Christians with training in Early Childhood Education. All teachers and aides have successfully completed a local background check, an FDLE background check, 40 hours of coursework, and 12 hours of continuing education classwork each year. Most importantly, our teachers have a love for children and a passion for teaching.

#### **Our Curriculum**

We provide a structured school day for our students. Each morning begins with Bible, prayer, and worship, and is followed by teaching time. Enrichment activities in art and music are also included. Additionally, students have extended times of play inside our gymnasium or outdoors on our beautiful playground.
