Enrollment Contract

To enroll, families must sign an enrollment contract which includes a fee schedule for cancellation or early withdrawal.

Payment Options

We use FACTS Management Company for tuition payments. Families may select from several payment options, including annual, semester, and monthly payment plans.

Payments are scheduled deductions from a designated checking or savings account, or charged to a credit card (with a convenience fee added.)

School-Funded Financial Aid

Financial aid program information and applications are available by calling the school office. The Rock School uses a third-party financial needs assessment company in determining all of our financial aid awards. We do not offer any financial assistance without a completed financial aid application.

State-Funded Financial Aid

The Rock School is approved for many of Florida's scholarship programs. Awards are set by the state and recipients are responsible for any remaining balance of tuition.
